County Reports

Amador

- Public Health began using CalCONNECT software to reach out to persons who test positive for COVID via text messaging.
- Public Health working with RDMHS to request CareStart antigen tests from SOC.

Butte

- Most recent surge is trending down, with case rates and number of individuals in isolation continuing to reduce each week. Probable cases through antigen testing reflects a similar pattern. Hospitalizations are also down and deaths are still high but beginning to flatten out. There are several outbreaks within the county.

Contra Costa

- On November 1, 2021, Contra Costa County will lift masking requirements in certain indoor settings where everyone is fully vaccinated. Eligible settings are in controlled spaces not open to the general public, including offices, gyms and fitness centers, employee commuter vehicles, indoor college classes and organized gatherings in any other indoor settings, such as a religious gathering.

Glenn

- Glenn County Public Health is partnering with Northern Valley Indian Health to hold community flu/COVID clinics throughout the month of October. Glenn County Public Health (GCPH) is providing and/or administering flu and COVID vaccine to skilled nursing facilities and long term care facilities.

Lake

- One SNF with current COVID-19 outbreak, unable to accept more patients.
- Local or county partners are experiencing rapid testing access issues; resources report shortages.

San Francisco

- On October 13, 2021, the San Francisco Health Officer revised Health Order C19-07y - Safer Return Together to revise the universal face covering requirement for individuals in indoor public settings to include exemptions as of October 15, 2021 for stable groups that are 100% fully vaccinated in some controlled settings that meet certain health requirements. Also, the Order describes the health and vaccination benchmarks by which the County, in coordination with other Bay Area jurisdictions,

will lift the indoor universal face covering requirement. It also maintains face covering requirements in other settings such as public transit, health care facilities, homeless shelters, jails, and schools, consistent with federal and state rules. C19-07y will continue until amended or rescinded by the Health Officer.

- As of October 17, 2021, there are 13 reported outbreaks of COVID-19 in congregate living facilities.
